

Directions to Harmony Dawn Retreat Centre **800 Baxter Road, R.R. 1 Hastings, Ontario K0L 1Y0**

Please use caution if you decide to use your GPS system. The navigation is usually incorrect and people routinely get lost. Our directions below are very easy to follow. We are 1 ½ hours north east of Toronto in good traffic. Basically east to Cobourg then North 25 minutes. There is a locator map on our website as well to help you.

From the 401

- Take 401 east from Toronto and exit at Cobourg (Exit 474 B, about 1 hr from Toronto), taking County Rd 45 north, sign posted to Norwood. Go thru Baltimore, Fenella and Roseneath. Roseneath is about 20 mins from 401.
- Continuing on the 45 after Roseneath, turn off the 45 left (west) on Baxter Rd, 5.6 km after Roseneath. Baxter Rd is about 1 km after Drope Rd or 1/2 km after the conical, green salt storage building on the right (east) side of the road, just before the sign that reads, “Baxter Road and Sandy Bay Cottages”.
- Travel 2.4 km along Baxter Rd to the first intersection, which is at the bottom of a steep hill. Continue straight thru the intersection for 1.3 km to Harmony Dawn, which is #800 Baxter Road. There is a blue “800” sign on the left side of the road at the entrance to the retreat. If you find yourself suddenly on a paved road going down a sharp hill which turns left, you have gone too far.
- Drive over the flat meadow and culvert up the hill to the building for drop off purposes but please park your car in the parking lot just before the culvert. NB: In driving up the hill to the house, you need to accelerate a bit, not slow down, especially in slippery conditions.

Toronto alternative route

- Travelling along Steeles Ave east, it becomes Taunton Rd and then county Rd 4, eventually hitting the 35/115. Take the 35/115 towards Peterborough.
- Go about 1-2 km north up 35/115 to Kirby. Turn right (east) on county rd 9 and continue for about 25- 30 mins until you reach the stop sign at Hwy 45 about 6 mins south of Roseneath.. Turn left on the 45 and continue as above.

From the 407

- Exit at east end of 407 and continue along Hwy 7 and then county rd 3 (when Hwy 7 turns north just before Brooklin). Turn south (right) off the 3 on rds 34 or further n, 57. Turn east or left on Taunton/ #4 and follow Alternative route as above.

From Hwy 7 (east of Peterborough)

- At Norwood, turn south on county rd 45 and travel 9km to Hastings. Continue over the bridge on 45 for another 7km until you see “Percy Twp, 9th line” which

is on a hill with a high radio tower to right. Turn right on this road, which is sign-
posted as "Conc Rd 9 West". Continue 2.5 km until you hit Baxter Rd (radio
tower on left). Turn right on Baxter Rd. Harmony Dawn is 1.3 km on left - #800.
